- As always, please remember those who are listed on the prayer board in the back of the auditorium.

- Brother Tom Woody passed away on February 24. He is survived by LuAnn, his wife of 37 years and by numerous children and grandchildren. While we will miss Tom, we are confident that he is home with God. From his wife LuAnn, "We wanted to let you all know that Tom passed into eternity at 1:50 am, peacefully, and at home. We thank you for your beyond-count prayers and words of encouragement. You all have been at our sides and every step of the way, and it has helped. You have laid up much treasure in heaven with your good works. At this point in time, we know [the] funeral will be Saturday, but have yet to get the time and venue arranged. We will have those details by this afternoon, Lord willing. We are happy for him, as he has been released from his earthly garment, and look forward to joining him when it is our turn for God to call us home.

Thoughts...

ON GIVING

There are three kinds of giving: grudge giving, duty giving and thanks giving. Grudge giving says, "I hate to.", duty giving says, "I ought to.", thanks giving says, "I want to." The first comes from constraint, the second comes from a sense of obligation, the third comes from a full heart. Nothing much is conveyed in grudge giving since "the gift without the giver is bare." Something more happens in duty giving but there is no song in it. Thanks giving is an open gate into the love of God.
